VACANCY - I.T. Technician

30 hrs per week- Term time (39 weeks of the year).

The Governors are seeking to appoint a part-time IT Technician. Ideally, working 6 hours a day, 30 hours per week during school term time, (39 weeks). You will be expected to work across all our federation schools maintaining all aspects of computing, audio, visual, photocopying and telephone equipment. You will be required to support all staff in the effective use of the equipment. You will be expected to work independently, but with the support and at the direction of the Federations IT Manager.

Applications are welcome from candidates who have a talent and enthusiasm for technology. Qualifications within this field would be advantageous. Applicants should be patient, enthusiastic, committed and motivated and be able to carry out technical maintenance in a friendly and professional manner.

Our whole team is motivated, hard-working and dedicated and we value a new colleague who is passionate about IT and learning, highly organised, with a great sense of humour, who will participate fully in school life. Our highly successful federation is a popular choice with children, parents and staff and our schools boast a friendly and welcoming environment.

As with all our contracts a six-month probationary period will apply. Employment may be terminated if you do not reach the required standards of performance within the stated probationary period.

We are committed to safeguarding and promoting the welfare of children and young people, and expect all staff and volunteers to share this commitment. Please visit any of our school websites to view our Safeguarding Policies. An enhanced DBS disclosure is required for this post.

You will need:

- A minimum qualification at GCSE Maths and English.
- Have good, courteous communication skills
