How we support children with special educational needs or disabilities.

Aim

At Doddiscombsleigh, we are committed to offering an inclusive curriculum to ensure the best possible progress for all of our pupils, no matter what their needs or abilities may be. All staff work in partnership with children, parents and other agencies in order to ensure an inclusive curriculum within which all children are enabled to progress to their full potential.

We are a mainstream Primary School and admit children from age 4 to 11.

The areas of special educational need at Doddiscombsleigh include:

- Communication and Interaction,
- Cognition and Learning,
- Social, Emotional and Mental Health,
- Sensory and /or Physical needs.

We have a nurturing ethos throughout school.

How will both you and I know how my child is doing?

- Continuous monitoring of classroom provision.
- Teachers meet six times a year to discuss pupil progress and this is shared via three parents' evenings.
- Discussions with parents, either informally or at parent's evenings.
- At the end of each Key Stage, national Standard Assessment Tests (SATs).
- Some children have an Individual Learning Plan (ILP), or a TAF (Plans written within a Team Around a Family) which are reviewed and renewed at least three times a year.
- Statements of Special Educational Need/ Education, Health and Care Plans are formally reviewed once a year.

How will you help me to support my child's learning?

The school is committed to early identification of special educational needs and adopts a graduated

response to meeting those needs.

The class teacher identifies a concern if a child is not progressing at an expected rate in one or all areas of learning or in their behaviour. The class teacher will then consult with the Special Educational Needs Coordinator (SENDCo) in order to decide whether additional and / or differentiated provision is necessary. Consultations between teachers and the SENDCo take place continually throughout the year but additional conversations are held when needed.

Parents may raise concerns about their child at any time and meetings can be arranged if necessary.

If additional and / or differentiated provision is necessary the child will be recorded as having SEND support.

Additional provision provided for the child that goes beyond differentiation within the classroom will be recorded on an ILP. The ILP will usually focus on 3-5 targets that have been discussed with both the child and their parents/guardians. The child will work through these targets assisted by a member of staff. These will then be reviewed, with the child and parents, three times a year and the outcome recorded so that new targets can be set.

If the school has evidence that a pupil is making insufficient progress despite significant support and intervention, we may seek further advice and support from outside professionals. Pupils and parents will be fully involved and kept informed about the involvement of external agencies and proposed interventions. For those children who need further support the SENDCo may then apply for an Education Health Care Plan.

For pupils who have an EHCP, their progress and the support outlined in their plan will be reviewed annually and a report provided for the Local Education Authority.

What should I do if I think my child may have special educational needs?

- Informal contact with your child's teacher.
- A request to meet the SENDCo.
- A request to meet with the Head of School.
- A request to meet with the Executive Head Teacher.
- Letter to Governors.

How are the school governors involved and what are their responsibilities?

The head teacher and the governing body set targets and specific criteria for the success of the SEND Policy. The allocation of resources within the school is based on an annual audit of need.

The governing body reviews the Policy and reports annually on the allocation of available resources and the success of the Policy in meeting SEND.

The SEND Governor meets regularly with the SENDCo.

The SEND Governor for the school is Mrs Elizabeth Thompson.

How will the school staff support my child?

All adults in the school are clearly focussed on helping your child to flourish and make the best possible progress. Teachers are responsible for children's learning and progress, but they work with school leaders, teaching assistants (TAs) and other support staff towards providing the best possible education for your child. We will make sure that children are safe, listened to and treated kindly, fairly and with respect.

How will the curriculum and learning environment be matched to my child's needs?

Teachers plan lessons to meet the needs of all the children in their class. In doing this, they plan a range of activities so that all children can learn as well as possible. Sometimes, children with SEND will receive extra support in class from another adult, such as a TA (teaching assistant). They may also receive extra equipment or other resources that will enable them to learn more quickly. On other occasions children may be taken out of class to receive extra support, in the form of a special programme or activity. Normally these programmes are for a short time and for a specific purpose. At the end of the programme, we assess how well it has helped the child and decide on the next steps.

What are the different types of support available for children with SEN at the school?

- High quality teaching that is differentiated and personalised.
- Small group work.
- Emotional support delivered in a small group or individually by a TA.
- Specialist group work run by an outside agency.
- Individual support by school staff or an outside agency.
- Specialist equipment, such as sloping desks, specialist seating or ICT may be provided, depending on the needs of the child.
- Extra time, a reader or a scribe may be requested for SATs in Year 6.

How will my child be included in activities outside the classroom including school trips?

There is a range of extra-curriculum activities at Doddiscombsleigh, open to all children, as well as school visits, organised as part of the curriculum. We make every effort to ensure all children have the opportunity to take part in all activities we offer. Extra meetings are arranged with parents and carers before trips and residential. All children take an active role in all areas of school life.

What support will there be for my child's overall well-being?

At Doddiscombsleigh Primary School all children's emotional well-being and happiness is of the utmost importance. The school is beginning to use the Boxall programme, which is a specific way of working with all children that helps to develop their social and emotional well-being, enabling them to engage with life and learning. It supports them in becoming more self-assured, capable and adaptable. It can also address any troubling behaviours providing a firm foundation for academic attainment. Children are taken out to work in small groups or individually on Boxall programmes of work. Boxall assessments are carried out by school staff, to provide these programmes of work. Extra-Curricular activities also support the emotional development of children, with activities such as mountain biking, diving and climbing being offered to children in KS2 on a termly basis.

What specialist services and expertise are available at or accessed by the school?

- Staff training needs are identified and met, at least annually.
- Training can be for the whole school or linked to our partnership with the USF, or for staff who are working with certain children.
- The SENDCo and relevant outside agencies provide advice and training to staff to ensure children's individual needs are met.
- All teachers are responsible for the needs of the children in their class. All teachers are teachers of children with special educational needs.
- When a child starts at the school, transitional meetings are arranged to ensure the child's needs are met.

Outside Agencies who are available at or accessed include:

- School Nurse Team
- CAMHS
- Early Help
- Health Professionals including the Bladder and Bowel Team, Paediatricians, Orthoptist, Community Nursing Service, Occupational therapists, Physiotherapists
- Charlotte Vaughan-Goodchild, Speech and Language Therapist
- Educational Psychologists – Dr Esther Maher (Devon) and Dr Joanna Currie (Private)
- Behaviour Support Team
- Communication and Interaction Team
- Outreach for Physical Difficulties
- Outreach from Special Schools
- Hearing and Visual Impairment Advisory teachers
- Devon Information, Advice and Support (Impartial support for parents with children with SEN) www.devonias.org.uk/

We make sure that our staff are well trained to enable them to support children with SEND. When we introduce a new programme or intervention, we first make sure that those who will deliver it to children are thoroughly trained. This allows us to be flexible and adapt to the needs of children with SEND that we may not have dealt with before.

Recent training includes:

Fun Fit, High 5, Safeguarding training, Widgit training, Lego Therapy, Early Help - Right for Children

EH4MH (Early Help For Mental Health), Domestic Violence training, Safeguarding Level 2 and 3, EHCP training, Dyslexic Training.

How accessible is the school both indoors and outdoors?

Doddiscombsleigh Primary School is largely on a flat site, but there is ramp access to Oak Class to access the main school building. There is also ramp access to the library. We always take reasonable and necessary steps to meet pupils' needs by using a variety of approaches and planning reasonable adjustments for disabled pupils, enabling our pupils to take as full a part as possible in all the activities of the school. We always make reasonable adjustments to ensure the school environment and its activities are as accessible and welcoming as possible for pupils, staff and visitors to the school. We are also committed to ensuring staff with a disability have equality of opportunity.

What is a SENDCo?

A SENDCo is a Special Educational Needs Co-ordinator. The SENDCo is a specially trained teacher. Their main jobs are to identify children's special needs and help organise support for them. They also work with parents, teachers and other professionals who may be involved.

Who is the SENCo for Doddiscombsleigh and how can they be contacted?

Doddiscombsleigh's SENDCo is Mrs Lizzie Hurford.
You can contact her through the school office.

How are parents involved in the school?

- Daily contact with teachers at the start and end of the school day.
- Parent's Evenings three times a year, to discuss pupil's progress.
- Regular check-in / TAF meetings (Team Around the Family).
- Annual Reviews of Statements of Special Educational Need and Education Health Care plans.
- School events such as assemblies, sports day and school productions.
- Parent readers and helpers for school trips.

How are children with SEN involved in planning their learning?

Children are involved in the writing and reviewing of their ILP and deciding what targets they should set for themselves. They also contribute to the annual review of their EHCP, if they have one.

What do I do if I'm not happy about something to do with my child?

We would encourage you to come and talk to us about any concerns or problems that you have. In almost all cases, we will be able to resolve any issues quickly. If you are still unhappy and feel that the matter is unresolved, then the school's complaints procedure can be found on the website (www.doddi.devon.sch.uk)

What is the Local Offer?

Local authorities are required by the Government to set out and publish a 'Local Offer'. The purpose of the 'Local Offer' is to provide clear accessible information about services available in the area, for parents and young people. The local offer must:

- Provide information on provision from birth to 25 across education, health and social care.
- Make clear the options that are available at a community level right through to specialist and targeted services for children and young people with more complex needs.
- Be developed in conjunction with parent and carers and young people.

Devon County Council and Torbay Council are committed to ensuring that all children and young people have a good start in life. Some children and young people have special educational needs and/or disabilities (SEND) and these differing needs mean varied levels of support may be required at different times.
